What I Do

I'm a B.Tech student specializing in Data Science at MIT Academy of Engineering. I love exploring the intersection of data and technology. From writing code to analyzing patterns, I enjoy diving deep into problems and coming up with creative solutions.

Education

A photograph of a large, multi-story white building with a series of arched windows and balconies, likely a university campus. The building is surrounded by greenery and a paved walkway. The image is slightly dimmed to make the text stand out.
